BEST PLACES TO WORK IN CHICAGO

What is this?

The Best Places to Work in Chicago is a survey and awards program that honors employers in Chicago that are making their workplaces great. This is a project of Crain's Chicago Business in partnership with Workforce Research Group.

What's the process like?

A two-part survey is conducted to get a thorough assessment of each employer.

- Part 1 consists of an Employer Assessment where we capture details about policies and practices.
- Part 2 consists of the Employee Feedback Survey where we capture employees' opinions about their workplace experience.

Employee surveys can be conducted via online or paper survey methodologies.

Both the employer and employee data set are combined to determine the best workplaces.

Who is eligible?

Organizations must meet the following criteria:

- Publicly or privately held
- Be a for-profit, not-for-profit, or a government organization
- Have a physical operation in Chicago
- Have at least 25 full- or part-time employees working in Chicago
- Have been in business for at least one year, at the registration deadline

*Eligible counties include Cook, DuPage, Kane, Lake (Ill), Lake (Ind.), McHenry, or Will County)

Are reports available?

All collected employee feedback will be presented in an online interactive reporting tool called the Employee Feedback Data Dashboard. The dashboard will allow each employer to view data by graphs, charts and tables. Plus, standard downloadable reports containing responses by demographic, employee comments and benchmarks are also available. This data is available for purchase for as little as \$1005 and discounts are available if pre-purchased.

Recognition:

Employers will find out if they have made the list soon after the surveys are completed. Those who make the best list will be honored in a special publication produced by Crain's Chicago Business in Sept/Oct 2025. The identities of organizations not making the list will be kept confidential.
